

"JUNE 2017"

Our **QRO** newsletter publishing schedule has changed... there is no June 2017 issue

There is no June 2017 **QRO** newsletter due to the Palos Verdes Amateur Radio Club having changed its monthly meeting dates at Hesse Park to the 1st Thursday of each month from the 3rd Wednesday, effective June 1, 2017.

All subsequent **QRO** newsletters will be dated for the month in which the monthly meeting is held even though the issue might be published near the end of the preceding month. ■
